## Work Experience

### Freelance Illustrator

**When:** 2020-Current

**Where:** Pleasant Prairie, WI

- Crafted captivating and dynamic illustrations for diverse projects, significantly enhancing visual enjoyment and contributing to the overall success of each project.
- Leveraged the Adobe Creative Suite to craft engaging illustrations, leading to an increase in customer satisfaction and heightened project enjoyment.
- Crafted striking illustrations for various clients and events, receiving positive feedback that highlighted their lasting impact on audience engagement.
- Employed charcoal and acrylic paints for expressive drawing and concept sketching, boosting photorealism in projects and delighting clients with stunning visuals.

### Warehouse Worker

**When:** 2023-Current

**Where:** Sturtevant, WI

- Shipped brochures and banners for clients that significantly boosted trade show booth traffic and enhanced attendee engagement.
- Restored and revitalized graphics for trade shows, enhancing visual appeal.
- Packed engaging marketing posters that led to an increase in sales, effectively capturing customer interest and driving significant revenue growth.
- Leveraged advanced banner sorting technology to enhance efficiency, significantly boosting productivity and reducing turnaround times.

### Warehouse Worker

**When:** 2024-2024

**Where:** Zion, IL

- Boosted client engagement at promotional events by creating eye-catching booths, working hand-in-hand with the design team to transform creative concepts into reality.
- Teamed up with senior designers to creatively amp branding elements for new campaigns, enhancing brand consistency and driving an increase in customer engagement on trade show floors.
- Operated heavy machinery to craft stunning light fixtures, attracting an impressive number of visitors.
- Collaborated with graphic designers to create eye-catching wall banners, resulting in a notable increase in booth traffic.
